Allowable Subject Matter

Claims 1 and 3-5 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art fails to teach an injection apparatus that includes a syringe barrel mounted on a cylinder holder having a flange insertion groove and where the syringe has a flange and a guide projection having a thickness that is prevented from entering into the flange insertion groove and that inhibits rotation of the syringe barrel when mounted in the cylinder holder by engagement of the projection with a portion of the cylinder holder; in combination with, the syringe being able to be mounted on the cylinder holder from a direction parallel to the insertion groove.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Catherine S. Williams whose telephone number is 571-272-4970. The examiner can normally be reached on Monday - Friday.
